- 1) Select the Wi-Fi SSID - "BSNL WiFi"
- 2) Click on "Connect".
- 3) User should be redirected to Captive Portal
- 4) User should follow the process for Subscription/Login to get Internet access

1 Free Service

1. Enter the mobile number and click on "Get PIN".
2. User will receive PIN as SMS in his inbox and same needs to be entered on the textbox "Enter PIN" available on the below screen.
3. Click on 'Login'.
4. Clicking on "Cancel' button, user will be redirected to previous screen.
5. User will be successfully logged in and the success screen with remaining Quota will be displayed.

Required Screens are displayed below:

The screenshot shows a mobile browser interface for the BSNL WiFi Captive Portal. At the top, the address bar displays 'welcome2.bsnlfi.bsnl.co.in/'. Below the address bar is the BSNL logo with 'wi-fi 4G PLUS' underneath. A blue banner contains the text 'Public Wi-Fi | BSNL Users'. The main content area says 'WELCOME TO BSNL HOTSPOT !!!'. There are two radio button options: 'Free Wi-Fi' (selected) and 'Premium Wi-Fi'. Below this is a 'Mobile Number*' field with a '+91' prefix and a text input box. At the bottom, there are two buttons: 'Already have a PIN' and 'Get PIN'.
